**Re: Garda Vetting Application**

A chara,

I refer to your vetting application to Cumann Lúthchleas Gael (GAA) that we have processed on your behalf with the National Vetting Bureau.

GAA vetting procedures are implemented in accordance with the National Vetting Bureau (Children and Vulnerable Persons) Acts where it is stipulated that any person who wishes to work with children or vulnerable adults must be vetted prior to undertaking any such role.

Following the processing of your vetting application I am pleased to inform you that your application has been accepted and I look forward to your promotion of our games and other activities at your chosen level in the GAA. Your Club Secretary will also receive a copy of this acceptance letter.

A condition of acceptance is that you adhere to the principles and practices of Our Games – Our Code, the GAA Code of Best Practice in Youth Sport and that you uphold such good practices in fulfilling your agreed roles in the GAA. Further information on this Code is available on [gaa.ie/child\\_welfare\\_and\\_protection](http://gaa.ie/child_welfare_and_protection). As part of our recruitment procedures, you will be required to undertake whatever training is required for your role and you will also be required to be re-vetted within a five year period, from the date of this letter.

The GAA is committed to creating and maintaining the safest possible standards for young people and children in our care and your role will be central to us in achieving this aim. Should you require a copy of any disclosure that relates to your application please contact me.

I thank you again for your valued contribution to the Gaelic Athletic Association and wish you well in the future.
